To the Town Council of Fort Myers Beach:

I would like to be considered for one of the three vacancies on the Community Resources Advisory Board. I grew up in Lee County, and my family has lived in Southwest Florida since 1860 so I have a unique perspective on how this area evolved into what it is today. I currently reside on Anchorage Street - since June 1st. I previously lived on Fort Myers Beach from 1995-2008 when I owned a business in Time Square. During incorporation I was active in the incorporation drive and I was also a member of the Time Square Merchants Alliance. I believe strongly in participating in the community: my current volunteer work includes: Publicity Chair for the Fort Myers Beach Relay for Life, member of the Seafood Savvy board with MRTF Chair Jeff Werner and Secretary of the board of directors for the Beach Arts Cooperative. Also, through my work at the Island Sand Paper I have covered government meetings for the past 4 years so I have an understanding of how the Town's advisory committees work with the council for the betterment of our island. I think these experiences would make me a valuable addition to CRAB.

Thank you for considering me!
